Web Announcement 1420

Attention All Providers: In-Person Provider Training Available in Reno Regarding Prior Authorizations on the Provider Web Portal (PWP)

In-person provider training sessions have been scheduled in Reno for providers to learn about the enhanced features and expanded provider functionalities being implemented on the Provider Web Portal (PWP). The provider training sessions listed below will provide a review of the simplified prior authorization request process and enhanced PWP features. Please review the following training schedule and register to attend one of the sessions by clicking on the following link: [Nevada Medicaid Training Portal](#).
